PROFILE OF THE SPEAKER

MR. CARLOS MANUEL BAIGORRI

President ANATEL Brasília

Since 2022, Carlos Baigorri has served as President of the Board of Commissioners at the National Telecommunication Agency (Anatel), Brazil's telecom regulatory authority. Anatel is the body responsible to regulate a national sectorial landscape of more than 346 million accesses of the many telecom services, including 34 millions set to 5G technology and a market that attracted around 5 billion USD in investment in 2024.

A seasoned expert in telecommunications, he has been a key figure within Anatel's permanent career staff since 2009, holding several pivotal roles such as Executive Superintendent, Competition Superintendent, Enforcement Superintendent, and Head of the Technical Advisory Unit. His career in the industry began in 2006 in the private sector, where he worked as a consultant and analyst for mobile operators. He was a Board Member from October 2020 to April 2022, when he became Executive President and President of the Board of Directors of the National Telecommunications Agency.

President Baigorrie graduated in Economics from the University of Brasília (UnB), with a master's and doctorate in Economics from the Catholic University of Brasília (UCB). In the telecommunications field since 2006, he was a consultant and sector information analyst for an association of mobile operators. He also worked as a professor at the Catholic University of Brasília (UCB), the Higher Education Institute of Brasília (IESB), and the Brazilian Institute of Capital Markets (IBMEC).
