

ITSO Symposium
Satellite Developments Shaping Connectivity
An ITSO Perspective

Pre-Event to the 42nd Assembly of Parties (AP-42)
29 September 2026 (14:00 – 17:00)

PROFILE OF THE SPEAKER

DR. REVATHI MANEPALLI

Joint Wireless Adviser International & National Spectrum Management & Member, ITU Radio Regulations Board

Revathi Mannepalli is a globally recognized expert in spectrum management and regulatory affairs, with 30 years of experience in the international telecommunications sector. As an elected member of the ITU Radio Regulations Board (RRB), she brings deep expertise in applying Radio Regulations, resolving disputes and championing equitable access to spectrum and orbital resources. Her strategic insights and hands-on leadership makes her exceptionally qualified to shape the future direction of ITU-BR. From WRC-08 to WRC-23, Dr. Revathi has consistently represented India at the International Telecommunication Union (ITU). Her efforts have helped strengthen developing countries' presence in global decision-making on spectrum and orbital resources. Her ITU representation focuses on equitable spectrum access, transparent policy governance, and sustainable deployment of 5G and future technologies that benefit every nation equally.

With an MBA in Public Policy Management from MDI Gurgaon & Sciences Po Paris and B.Tech in Electronics and Communications from JNTU Hyderabad, she has dedicated nearly three decades to advancing India's telecommunications sector.
